The possible location of the planned gas pipeline by Nord Stream in the Baltic Sea

Thank you for sending us the document on the planned gas pipe by Nord Stream and its possible change of location for the purposes of our opinion. We declare that we do not have any suggestions regarding this document, as the presented information does not allow us to evaluate the health and safety aspects of the location of the pipeline.

We request that as the Estonian contact ministry for the environmental impact assessment process regarding this project, you bear in mind that in the course of the environmental assessment of the planned Nord Stream gas pipeline, the risks to public health and welfare caused by this project should also be carefully assessed.

Yours Sincerely

(digitally signed)

Ivi Normet

Deputy Secretary General for Health
