**Approval for the construction and for the operation of the "Nord Stream" high-pressure gas pipeline through the Baltic Sea.**

**Amendment of the course of route within the German Exclusive Economic Zone (EEZ) and 12 nautical mile territorial waters zone, and amendments and alternatives outside German waters**

**Ref. 522/Nord Stream/2007**

**Herein: Opinion of the State Hunters' Federation M-V**

Dear Sir/Madam,

Upon examination of the documents presented to us, the State Hunters' Federation of Mecklenburg-Vorpommern has no objection to the altered route for the high-pressure gas pipeline in the Baltic Sea.

Kind regards,
